

UnitedHealthcare HealthyTexas

To help small businesses in Texas offer access to lower cost coverage health insurance, UnitedHealthcare and the Texas Department of Insurance have launched HealthyTexas, a program designed for employers previously unable to afford insurance. Businesses that are qualified to participate in HealthyTexas can now benefit from UnitedHealthcare's experience and innovation through these UnitedHealthcare HealthyTexas plans.

HealthyTexas from UnitedHealthcare features a streamlined application and enrollment process. Since health status does not impact the rates for this guarantee-issue program, there is no medical underwriting or rate penalties for pre-existing conditions.

Plan features

- Two plan design choices (\$500 or \$1500 annual deductible)
- Easy-to-understand \$25 Copayment for most physician office services
- 100% coverage for Preventive Care
- 80% Coinsurance for hospitalization and outpatient surgery
- Network-only benefits save out-of-pocket costs
- Prescription Drug plan included \$10/\$25/\$50 (\$200 or \$500 annual deductible)
- Optional additional coverage available (Life, Dental, Vision)

Access means care is never far from work or home

In Texas, the UnitedHealthcare local network consists of 35,156 physicians and 476 hospitals – so care is never far from work or home. Nationally, with more than 645,000 physicians and health care professionals, 5,105 hospitals and 64,000 pharmacies, it's easy to find a network physician or hospital nearby.

Employer Value-Added Programs

- **Employer eServices®** – This comprehensive suite of Web-based tools allows employers to add new employees, request ID cards, retrieve plan cost and utilization information, download invoices, authorize payments online and more.

Member Value-Added Programs

- **Care24® Resources** – Our Care24 resources assist employees with health, personal or family-related concerns via a toll-free phone number 24 hours a day, seven days a week. One toll-free number puts them in touch with nurses, counselors, financial consultants and attorneys. Care24 also offers access to audio messages on more than 1,100 health and well-being topics. Most audio tapes are available in Spanish, and we provide translation services for more than 140 languages.
- **Disease management programs** – for conditions such as asthma, diabetes, coronary artery disease and congestive heart failure provide support to a larger population of people with these conditions.
- **Online tools for members** – Individuals can research health information, check claims status, find network physicians and more on myuhc.com®.

Outstanding customer service

We provide information to members when and how they want it. Members can get automated information quickly and easily, or speak with a knowledgeable representative by simply calling the number on the back of their ID card.
